28	C	Cash on delivery: Details of the amount to be collected on delivery and the currency code.	- Consignee	- Consignor	- Contractual carrier - Successive carrier (Amendment only in the case of subsequent orders from the consignor.)
29	M	Place and date completed: Place and date (year, month, day) at which the consignment note was made out.	- Consignee	- Consignor	- Contractual carrier - Successive carrier (With the agreement of the consignor.)
30	M	Description of the document: Mark the CIM box with a cross (the document is only used as a CUV wagon note when an empty wagon is subject to a CUV contract for use). When the consignment consists only of the goods, the wagon number is only entered in box 18. The wagon is then subject to a CUV contract of use. When the consignment consists of the goods and the wagon or when an empty wagon is consigned as goods , the wagon number is shown in boxes 18 and 21. The wagon is not then subject to a CUV contract of use; see point 2 para. 3 GLW-CUV however. If wagons and goods subject to the CIM are consigned together with empty wagons moving as means of transport under the CUV, then at least the «CIM» box must be crossed on the consignment note. The following remark must be made in box 21: This CIM consignment note takes effect as a CUV consignment note for those wagons marked with NHM code 9921.xx or 9922.xx on the «CUV wagon list». Reference clauses (to the left of box 30): these clauses are pre-printed on the paper consignment note and stored in the electronic consignment note record.	- Consignee	- Consignor	- Contractual carrier - Successive carrier (Amendment only in the case of subsequent orders or on the instruction of the consignor.)
